Camberley and District Job Club started in July 2012 to support those looking for work.

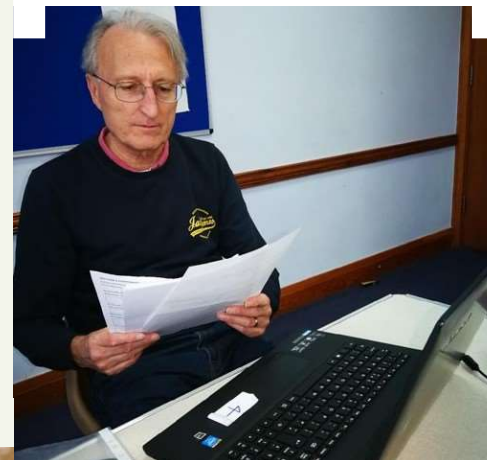

Our aim is to rebuild **your** confidence and offer support in preparing **your** CV. Help with **your** search for employment opportunities and supporting **you** with job applications. Then, once you are successful, we can help updating **your** interview techniques.

Our objectives

- 2 we give close attention to all our clients, those who are newly unemployed and those who are long-term (three months or more) unemployed.
- 3 To maintain a relationship with Job Centre Plus, providing feedback to them and supporting their clients in fulfilling the commitments identified by Work Coaches.
- 4 To run a variety of workshops and events to support our local job seekers and provide information on local employers and employment opportunities.
